

## Healthy Options Managed Care clients

MAA will reimburse for drugs dispensed to clients enrolled in a Healthy Options managed care plan only if the drugs are outside the scope of the managed care plan and covered under fee-for-service.

### Examples:

- Prescriptions written by **dentists** will be paid fee-for-service without any special comments when the dentist's MAA provider number is placed on the claim in the prescriber ID field.
- Antibiotics, anti-infectives, non-narcotic analgesics, and oxytocics prescribed following abortion procedure are reimbursable on a fee-for-service basis for clients enrolled in a Healthy Options managed care plan.
- Over-the-counter contraceptives from a pharmacy that is not contracted with the clients managed care plan.
- **Protease Inhibitors.**

### Healthy Options Clients Who Self-Refer

Healthy Options managed care clients may self-refer to any of the following entities and receive prescriptions related to the therapeutic classifications listed below. The prescriptions are reimbursable on a fee-for-service basis and, clients may take these prescriptions to any Medicaid-participating pharmacy.

Pharmacists must document the prescribing entity (i.e., mental health center, family planning clinic, or health department) on the original prescription. All other fee-for-service rules apply to claims for the therapeutic classes listed below, including prior authorization requirements.

**Community Mental Health Centers** may prescribe mental health drugs within the following therapeutic drug classes:
